

We Are Looking for Tutors

The chair for [Logistics and Supply Chain Management](#) is looking for tutors conduction tutorials of the course “**Logistics and Supply Chain Management**” in the **summer term 2023**.

As a Logistics and Supply Chain Management tutor you give two tutorials per week (in English, perhaps via Zoom). The aim of the tutorials is for the students to gain a deeper understanding of the lecture’s content based on the exercises.

The tutor contract is based on 8 hours per week ([pay scale TUM](#)). Profound knowledge and a very good grade in the course “Logistics and Supply Chain Management” is a prerequisite.

Please submit your application (CV, transcripts of records, certificates) via email to alexander.bloemer@tum.de. until **January 6th, 2023**.

We look forward to receiving your application!

For questions, please contact Alexander Bloemer (alexander.bloemer@tum.de)
